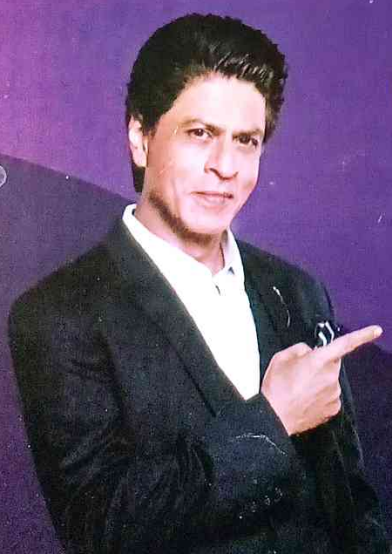
Congratulations

You are now a step closer to understanding your child's academic proficiency.
Our counselor will now give you a call to book an appointment with you and your child.
They will guide you and provide a detailed analysis of your child's performance based on the assessment test.

Analysis Parameters

1. Conceptual learning | 2. Memory-based learning | 3. Speed vs Accuracy



COUNSELLING HIGHLIGHTS

One hour **counselling session** with BYJU'S Experts

Assess the **learning fingerprint of your child** using BYJU'S specialized diagnostic tool

Get a **personalized learning program** that will help your child learn effectively
